USB 2.0 Fast Charging Adapter A to A - M/F with Sync / Fast Charge Switch

StarTech ID: USB2CHADP

The USB2CHADP USB 2.0 Fast Charging Adapter transforms your computer USB host port into a charge-only port, enabling the adapter to charge your mobile devices (iPad®, Samsung Tablet, etc.) as an AC wall charger would, and ultimately decreasing your charge times which makes it perfect for people on the move.

The USB charger adapter also includes a switch that allows you to shift between data / sync mode and fast charge mode. The LED indicator on the adapter will change from Red when in fast charge mode to Blue when in data transfer mode.

This durable charger is backed by StarTech.com's 2-year Warranty to ensure dependable performance.

Applications

- Fast charge your tablet (iPad, Samsung, etc.) and smartphones from your computer/laptop USB port with decreased charge times and increased current output

Features

- Fast Charging capabilities
- One touch mode change (Data/Charger Switch)
- Fast charge mode: Red LED
- Data transfer mode: Blue LED
